

## **East vs West Official Participation Rules and Scoring**

### **Participation:**

Participants must be members of the LPOA. Family members who are current passholders of Lakengren property owners per the Lakengren Code of regulations are eligible to participate.

Geographic location determines which team a member plays for. (Coaches may agree to allow for changes to teams if both coaches agree). From 732 to the Guardhouse and to the Four way stop; those who live on the East side play for the East and those who live on the West side play for the West.

Participants must sign up via the website. No member can sign up after the deadline as announced on the LPOA FB page.

### **Scoring:**

There are 9 events. Winners of each event as determined by event scoring will score 10 points per event. Total points for the 9 events would be 90 points awarded. (Within each event, specific scoring for that event will determine the winner of the event. Points earned in a specific event do not contribute to the overall event scoring.)
